

# My School Day Routine

*These are your routines for school days. Start at the top and check off each box as you finish. You've got this! ★*

## BEFORE SCHOOL:

*Check off each step so you're ready for a great day!*

- |                                                                                                                          |                                                                                                                                   |
|--------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/>  Make my bed   | <input type="checkbox"/>  Grab my lunch box      |
| <input type="checkbox"/>  Get dressed   | <input type="checkbox"/>  Fill my water bottle   |
| <input type="checkbox"/>  Eat breakfast | <input type="checkbox"/>  Grab my backpack       |
| <input type="checkbox"/>  Brush teeth   | <input type="checkbox"/>  Shoes on, ready to go! |
| <input type="checkbox"/>  Brush hair   |                                                                                                                                   |

## AFTER SCHOOL:

*Do these first — then you're free for the rest of the day!*

- |                                                                                                                                                        |                                                                                                                              |
|--------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/>  Put shoes away                            | <input type="checkbox"/>  Unpack lunchbox |
| <input type="checkbox"/>  Put backpack away                         | <input type="checkbox"/>  Homework        |
| <input type="checkbox"/>  Pick out clothes for school tomorrow      |                                                                                                                              |
| <input type="checkbox"/>  Give mom or dad any papers from my folder |                                                                                                                              |
